

Ian Clark A.
Villegas
Junior Developer

Personal Summary

With almost five years of experience as a novice full stack web developer, I offer a strong foundation in front-end and back-end programming along with a mix of excitement and curiosity. I've been deeply involved with a variety of technologies and frameworks over the last few years, happily embracing new challenges and educational opportunities as I go. And maintain full-time position that offers professional challenges utilizing interpersonal skills, excellent time management and problem-solving skills. Willingness to take on added responsibilities to meet team goals.
